Customer's Love

Ravi Verma

Absolutely love the paneer! It's fresh and soft, perfect for all my recipes. Worth every penny.

5

Kavita Singh

The curd is decent but could be a bit thicker. It's good for making raita and smoothies though.

3.5

Vikram Desai

Fantastic quality! The butter is so fresh and tasty, just like the homemade butter we used to have. Highly satisfied.

4.8
